

AREAS OF RESEARCH

On October 16, 2008 at Universitas Indonesia, Depok, the Paper Selection Committee conducted a meeting to select 45 best research papers and 6 best dissertation proposals from 100 papers and 10 dissertation proposals received.

The research papers and dissertation proposals that will be presented in the Conference, both in Bahasa and in English, consist of six areas of research as follows:

1. Accounting Information System (AIS)
2. Taxation (TAX)
3. Public Sector Accounting (PSAC)
4. Management Accounting (MACC)
5. Financial Accounting and Capital Market (FACM)
6. Accounting Education (EDU)
7. Auditing (AUD)
8. Governance (GOV)
