About the Journal and its Mission Statement

International Journal of Islamic Economics IQTISAD (IJIE) is jointly published by Center for Islamic Economics Studies and Development (CIESD) of the Faculty of Economics, Universitas Islam Indonesia and Islamic Economics and Finance Research Group (EKONIS), Universiti Kebangsaan Malaysia. The Journal is published twice a year, in Muharram and Rajab. This journal is previously known as IQTISAD (IJIE)

The Journal provides opportunities for the presentation of scholarly papers and the exchange of scholarly ideas. The *Journal* disseminates current and relevant findings from research in the area of Islamic economics and finance. IJIE is a refereed journal that significant or basic applied research in the field, theoretical and conceptual contribution that augment knowledge in the field, surveys of theories, history of economic institutions and practices of Muslim societies, or reviews of books on Islamic economics or finance.

Objectives

1. To provide a forum for Muslim and non-Muslim academics, professionals, postgraduate students and other parties interested in understanding Islamic Economics.
2. To cater for the specific educational and professional needs of muslim societies and Islamic universities in accordance with Shari'ah Islamiyah (Islamic Teaching).
3. To encourage academic and professional objective exploration and analysis of Islamic Economics in the interest of promoting worldwide interhuman academic and professional understanding and cooperation.
