**THE INFLUENCE OF AUDIT COMMITTEE, BOARD OF DIRECTORS,
AND INDEPENDENT COMMISSIONER TO COMPANY VALUE**

*(Empirical Studi Of Transportation Subsector Companies Listed On The
Indonesia Stock Exchange For the Period 2015-2018)*

SUMMARY

This study aims to determine how influence of Audit Committee, Board of Directors, and Independent Commissioner on Company Value in transportation companies listed on the Indonesia Stock Exchange for the period 2015-2018. The factors tested in this study are Company Values as the dependent variable while Audit Committee, Board Of Directors, and Independent Commissioner as the independent variables. This type of research is an explanatory research. The study population is the financial statements of transportation subsector companies listed on the Stock Exchange for the period 2015-2018 which amounted to 43 companies and the sampling of 21 companies using purposive sampling techniques, which are determined based on criteria. In addition data analysis in this study is using panel data regression analysis with the significance level of 5%, processed by the Eviews 10. The result of this study indicate that, partially Audit Committee effect on the company's value, Board of Directors, and Independent Commissioner has no effect on company's value, and simultaneously audit committee, board of directors and independent commissioner has no effect significantly on company value.
