

Editor-in-Chief

Dr. David King, Tennessee State University, USA

Dr. David King holds a Ph.D. in Computer Information Systems and over 12 years experience in Accounting Information Systems, a Masters in E-business and Bachelors in Management Information Systems. He is also a Certified Cisco Systems Instructor, Microsoft Certified Professional, Certified Novell Administrator and has recently achieved Diplomas in Medical & Dental and Pharmacy academic programs. Dr. King's educational background expands across Australia, Europe, Africa and North America. He is keen in teaching Networking Systems, Computer Systems Security, Applied Information Technology, Relational Database Management Systems, Management Information Systems, E-business Strategies, Knowledge Management, Data Mining, Artificial Intelligence, Business Process Reengineering and ERP Application Systems.

Dr. King's research work is in the areas of: Computer-Mediated-Communication, The Internet and Psychology, E-Learning and Distance Education, The Internet and Global Collaboration, Foreign Aid Projects in Developing Nations, Accounting Information Systems, Knowledge Management, Intelligence & Homeland Security Systems, Health Information Science & Management, Research Methods and Design. He has published in several top Information Systems Conference Proceedings and Journals (IFIP, ACIS, PACIS, IRMA, JHE, IBER, RBIS). In addition, Dr. King serves on several editorial boards in the research community. He has received several research presentation "Best Paper" awards in Seattle, USA, Bangalore, India, Las Vegas, USA, and Venice, Italy. As new research disciplines develop, Dr. King expands his horizons, investigates, experiments and contributes to intellectual consortiums and forums. He serves as the Chair for the Intellectbase International Consortium conferences and leads the Editors Excellence Review Panel (EERP) for the International Handbook of Academic Research & Teaching (IHART) Proceedings. In addition, he currently serves as the Program Coordinator for International Institute of Academic Research.
