### Manuscript Submission

Hard copy submissions can not be accepted. All submitted articles should report original, previously unpublished research results, experimental or theoretical, and will be peer-reviewed.

### Paper Review

All published journal papers are refereed by the international competent researchers and scientists. Therefore, a full double - blind international refereeing process is used in which:

-Papers are sent to reviewers for their peer review process.

-The reviewers' recommendations determine whether a paper will be accepted / accepted subject to change / subject to resubmission with significant changes / rejected.

All papers are refereed, and the Editor-in-Chief reserves the right to refuse any typescript, whether on invitation or otherwise, and to make suggestions and/or modifications before publication.

### Initial Paper Submission

Prospective authors are kindly invited to submit full, text papers including results, tables, figures and references. Full text papers (.doc, .rft, .ps, .pdf) will be accepted only by electronic submission or E-mail: [joebm@iacsitp.com](mailto:joebm@iacsitp.com). All submitted articles should report original, previously unpublished research results, experimental or theoretical. Articles submitted to the JOEBM should meet these criteria and must not be under consideration for publication elsewhere. Manuscripts should follow the style of the JOEBM and are subject to both review and editing.

### Final Paper Submission

Each final full text paper (.doc, .pdf) along with the corresponding signed copyright transfer form should be submitted by E-mail: [joebm@iacsitp.com](mailto:joebm@iacsitp.com)
