**BAB I PENDAHULUAN** ................................................................................................. I-2

1.1 Latar Belakang ....................................................................................................................... I-2
1.2 Identifikasi Masalah ............................................................................................................. I-4
1.3 Rumusan Masalah ............................................................................................................... I-5
1.4 Batasan Masalah ................................................................................................................... I-5
1.5 Tujuan dan Manfaat ............................................................................................................ I-5
  1.5.1 Tujuan ............................................................................................................................ I-5
  1.5.2 Manfaat ........................................................................................................................ I-6
1.6 Sistematika Penelitian ........................................................................................................ I-6

**BAB II TINJAUAN PUSTAKA** .......................................................................................... II-8

2.1 Review Penelitian Terdahulu ......................................................................................... II-8
2.2 Learning Management System ..................................................................................... II-11
2.3 Sistem ................................................................................................................................. II-11
2.4 Informasi ............................................................................................................................. II-12
  2.4.1 Kegunaan Informasi .................................................................................................... II-13
2.5 PHP .................................................................................................................................... II-14

BAB III METODOLOGI PENELITIAN .................................................... III-26
3.1 Metode Penelitian ..................................................................... III-26
3.2 Prosedur Penelitian ................................................................... III-26
3.3 Lokasi dan Waktu Penelitian .................................................... III-29

BAB IV ANALISIS ........................................................................... IV-30
4.1 Analisis Sistem yang sedang berjalan ........................................ IV-30
4.2 Analisis Sistem yang diusulkan ................................................ IV-31
4.3 Analisis Kebutuhan Perangkat ................................................ IV-33
   4.3.1 Perangkat Keras (Hardware) .............................................. IV-33
   4.3.2 Perangkat Lunak (Software) .............................................. IV-34

BAB V PERANCANGAN SISTEM INFORMASI ................................. V-35
5.1 Use Case Diagram ..................................................................... V-35
   5.1.1 Deskripsi Use Case ........................................................... V-35
5.2 Activity Diagram ...................................................................... V-39
   5.2.1 Activity Diagram Admin ................................................... V-39
   5.2.2 Activity Diagram dosen ..................................................... V-42
   5.2.3 Activity Diagram Mahasiswa ............................................. V-44
   5.2.4 Activity Diagram Kaprodi ................................................ V-45
5.3 Class Diagram ........................................................................... V-46
5.4 Sequence Diagram .................................................................... V-47
   5.4.1 Sequence Diagram Dosen ................................................ V-47
5.4.2 Sequence Diagram Mahasiswa ......................................................... V-49
5.4.3 Sequence Diagram Admin .............................................................. V-49
5.4.4 Sequence Diagram Kaprodi ............................................................ V-50
5.5 Perancangan Halaman Antar Muka Login ......................................... V-51
  5.5.1 Perancangan Halaman Antar Muka Admin .............................. V-51
  5.5.2 Perancangan Halaman Antar Muka Dosen ............................... V-53
  5.5.3 Perancangan Halaman Antar Muka Mahasiswa ..................... V-54
  5.5.4 Perancangan Halaman Antar Muka Ketua Program Studi ......... V-56
BAB VI PENERAPAN SISTEM INFORMASI ........................................ VI-59
  6.1 Implementasi Sistem ........................................................................ VI-59
  6.2 User Admin ...................................................................................... VI-59
    6.2.1 Login .......................................................................................... VI-59
    6.2.2 Tampilan home admin ................................................................. VI-60
    6.2.3 Aktivasi Penilaian ....................................................................... VI-61
  6.3 User Dosen ....................................................................................... VI-61
    6.3.1 Login .......................................................................................... VI-61
    6.3.2 Home .......................................................................................... VI-62
    6.3.3 Menu Berita Acara Perkuliahan ................................................ VI-63
  6.4 User Mahasiswa ............................................................................... VI-65
    6.4.1 Home .......................................................................................... VI-65
    6.4.2 Menu Jadwal Kuliah ................................................................. VI-65
    6.4.3 Menu Jadwal Ujian ................................................................. VI-66
    6.4.4 Menu Absensi Mahasiswa ....................................................... VI-66
    6.4.5 Menu Nilai Mahasiswa ............................................................ VI-67
  6.5 User Ketua Program studi ................................................................. VI-67
    6.5.1 Home .......................................................................................... VI-67
    6.5.2 Menu Kelas Pengajar ............................................................... VI-68
BAB VII KESIMPULAN DAN SARAN .......................................................... VII-69

7.1 Kesimpulan ............................................................................................ VII-69

7.2 Saran .................................................................................................... VII-69
