DAFTAR TABEL

Tabel 2.1  Daftar Simbol-simbol UML ........................................................................ 11
Tabel 2.2  Simbol Use Case Diagram ........................................................................ 13
Tabel 2.3  Folder XAMPP .......................................................................................... 20
Tabel 4.1  Definisi Aktor .......................................................................................... 32
Tabel 4.2  Definisi Use Case ...................................................................................... 32
Tabel 4.3  Skenario Use Case Login .......................................................................... 33
Tabel 4.4  Skenario Use Case Tambah Admin ............................................................. 33
Tabel 4.5  Skenario Use Case Edit Admin ................................................................. 34
Tabel 4.6  Skenario Use Case Hapus Admin ............................................................... 34
Tabel 4.7  Skenario Use Case Edit Admin ................................................................. 35
Tabel 4.8  Skenario Use Case Edit Admin ................................................................. 35
Tabel 4.9  Skenario Use Case Hapus Petugas ............................................................. 36
Tabel 4.10 Skenario Use Case Tambah Data UKM ...................................................... 36
Tabel 4.11 Skenario Use Case Edit Data UKM ............................................................ 37
Tabel 4.12 Skenario Use Case Delete Data UKM ....................................................... 37
Tabel 4.13 Skenario Use Case Delete Komentar ....................................................... 38
Tabel 4.14 Skenario Use Case Delete Pesan ............................................................... 38
Tabel 4.15 Skenario Use Case Reply Pesan ............................................................... 39
Tabel 4.16 Skenario Use Case Tambah Gambar .......................................................... 39
Tabel 4.17 Skenario Use Case Edit Gambar ............................................................... 40
Tabel 4.18 Skenario Use Case Delete Gambar ........................................................... 40
Tabel 4.19 Skenario Use Case Tambah Berita ............................................................. 41
Tabel 4.20 Skenario Use Case Edit Berita ................................................................. 41
Tabel 4.21 Skenario Use Case Delete Berita ............................................................... 42
Tabel 4.22 Skenario Use Case Edit Admin ............................................................... 42
Tabel 4.23 Skenario Use Case Edit Admin ............................................................... 43
