ABSTRAK ........................................................................................................ i
ABSTRACT ..................................................................................................... ii
KATA PENGANTAR .................................................................................... iii
DAFTAR ISI ................................................................................................... vi
DAFTAR TABEL ............................................................................................. ix
DAFTAR GAMBAR ....................................................................................... x
DAFTAR LAMPIRAN .................................................................................... xi

BAB I PENDAHULUAN
  1.1 Latar Belakang .................................................................................... 1
  1.2 Identifikasi Masalah .......................................................................... 8
  1.3 Tujuan Penelitian ............................................................................. 9
  1.4 Kegunaan Penelitian ....................................................................... 9
  1.5 Lokasi dan Waktu Penelitian .......................................................... 10

BAB II TINJAUAN PUSTAKA
  2.1 Pengertian Audit ............................................................................... 11
    2.1.1 Audit Internal ............................................................................. 12
    2.1.1.1 Pengertian Audit Internal .................................................... 12
    2.1.1.2 Tujuan Audit Internal ......................................................... 12
    2.1.1.3 Fungsi dan Ruang Lingkup Audit Internal ....................... 14
    2.1.1.4 Wewenang dan Tanggung Jawab Audit Internal ... 16
    2.1.1.5 Standar Profesi Audit Internal ........................................ 18
    2.1.2 Pelaksanaan Audit Internal ..................................................... 24
    2.1.3 Efektivitas .................................................................................. 27
    2.1.3.1 Pengertian Efektivitas ......................................................... 27
    2.1.4 Pengertian Pengendalian Internal ........................................... 28
    2.1.4.1 Tujuan Pengendalian Internal .......................................... 30
    2.1.4.2 Komponen Pengendalian Internal ................................. 33
    2.1.4.3 Keterbatasan Pengendalian Internal ......................... 40
BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian ................................................................. 47

3.2 Metode Penelitian ............................................................... 47

3.3 Populasi dan Sampel Penelitian ........................................ 48

3.3.1 Populasi ........................................................................... 48

3.3.2 Sampel ........................................................................... 48

3.4 Metode Pengumpulan Data .................................................. 49

3.4.1 Sumber Data ..................................................................... 49

3.5 Operasionalisasi Variabel Penelitian..................................... 50

3.5.1 Pengukuran Variabel ...................................................... 53

3.5.2 Teknik Pengembangan Instrumen .................................... 53

3.5.3 Teknik Pengumpulan Data ............................................... 56

3.6 Metode Analisis Data .......................................................... 57

3.6.1 Uji Kualitas Data ............................................................ 58

3.6.1.1 Uji Validitas ............................................................. 58

3.6.1.2 Uji Reliabilitas ........................................................ 60

3.6.2 Teknik Pengolahan Data ................................................ 61

3.6.3 Analisis Korelasi Pearson ................................................. 62

3.6.4 Analisis Regresi Linier Sederhana ................................. 63

3.6.5 Uji Koefisien Determinasi ($R^2$) .................................... 64

3.6.6 Penetapan Hipotesis ......................................................... 64

3.6.6.1 Uji Parsial (Uji $T$) .................................................. 65

3.6.6.2 Penetapan Signifikansi ............................................. 66
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian................................................................. 67
  4.1.1 Uji Validitas dan Reliabilitas ................................. 67
  4.1.2 Analisis Deskriptif.................................................. 69
    4.1.2.1 Tanggapan Responden Mengenai Pelaksanaan Audit
              Internal di PT. Gistex........................................... 70
    4.1.2.2 Tanggapan Responden Mengenai Efektivitas Pengendalian
              Internal di PT. Gistex........................................... 78
  4.1.3 Analisis Data dan Pengujian Hipotesis ................. 82
    4.1.3.1 Koefisien Korelasi Pearson ............................ 82
    4.1.3.2 Analisis Regresi Linier Sederhana ................. 84
    4.1.3.3 Pengujian Hipotesis....................................... 85
    4.1.3.4 Analisis Koefisien Determinasi.................... 87
4.2 Pembahasan.................................................................. 88
  4.2.1 Pengaruh Pelaksanaan Audit Internal terhadap Efektivitas
              Pengendalian Internal PT. Gistex Textile Division ....... 88

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan................................................................. 91
5.2 Saran............................................................................ 91
