DAFTAR TABEL

Tabel 2.1 Penelitian Terdahulu ........................................................................................................... 25
Tabel 4.1 Hasil Purposive Sampling .................................................................................................. 37
Tabel 4.2 Daftar Kota/Kabupaten di Provinsi Jawa Barat di Wilayah Priangan Barat ................................................................. 38
Tabel 4.3 Operasionalisasi Variabel .................................................................................................. 41
Tabel 4.4 Kriteria pengambilan Keputusan Uji Durbin Watson ...................................................... 45
Tabel 5.1 Data Dana Alokasi Umum Pada 6 Kabupaten dan Kota di Provinsi Jawa Barat Periode 2012-2017 .......................................................................................................................... 52
Tabel 5.2 Data Pendapatan Asli Daerah Pada 6 Kabupaten dan Kota di Provinsi Jawa Barat Periode 2012-2017 .......................................................................................................................... 54
Tabel 5.3 Data Belanja Daerah Pada 6 Kabupaten dan Kota di Provinsi Jawa Barat Periode 2012-2017 .......................................................................................................................... 56
Tabel 5.4 Uji Multikolinearitas ........................................................................................................... 59
Tabel 5.5 Uji Heteroskedastitisitas .................................................................................................. 59
Tabel 5.6 Kriteria Uji Durbin Watson ............................................................................................... 60
Tabel 5.7 Uji Autokorelasi ................................................................................................................. 60
Tabel 5.8 Hasil Regresi Linear Berganda ........................................................................................... 61
Tabel 5.9 Hasil Uji Parsial (Uji t) ....................................................................................................... 62
Tabel 5.10 Hasil Uji Simultan (Uji F) ................................................................................................. 63
Tabel 5.11 Hasil Koefisien Determinasi Simultan (R^2) ...................................................................... 64
Tabel 5.12 Analisis Flypaper Effect pada masing-masing Kabupaten/Kota .............................. 68
