DAFTAR ISI

ABSTRAK ................................................................................................................ i
KATA PENGANTAR .............................................................................................. iii
DAFTAR ISI .......................................................................................................... vii
DAFTAR TABEL .................................................................................................... xi
DAFTAR GAMBAR ................................................................................................ xii
DAFTAR LAMPIRAN ............................................................................................. xiii

BAB I PENDAHULUAN
1.1 Latar Belakang Penelitian .............................................................................. 1
1.2 Identifikasi Masalah ..................................................................................... 7
1.3 Maksud dan Tujuan Penelitian .................................................................. 7
1.4 Manfaat Penelitian ..................................................................................... 8
1.5 Kerangka Pemikiran dan Hipotesis .......................................................... 9
1.6 Metode Penelitian ...................................................................................... 15
1.7 Lokasi dan Waktu Penelitian ..................................................................... 16

BAB II TINJAUAN PUSTAKA
2.1 Tinjauan Pustaka ....................................................................................... 17
   2.1.1 Pengertian Manajemen Pemasaran ...................................................... 17
2.2 Marketing Mix .............................................................................................. 18
2.3 Jasa ............................................................................................................. 20
   2.3.1 Pengertian Jasa ................................................................................... 20
   2.3.2 Karakteristik Jasa ................................................................................ 20
   2.3.3 Bauran Pemasaran dalam Jasa ........................................................... 21
BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian ........................................................................................................... 44
  3.1.1 Sejarah Singkat Perusahaan .................................................................................. 44
  3.1.2 Struktur Organisasi Perusahaan .......................................................................... 45

3.2 Metode Penelitian ........................................................................................................ 50
  3.2.1 Sumber Data dan Teknik Pengumpulan Data ....................................................... 51
  3.2.2 Operasional Variabel Penelitian .......................................................................... 52
  3.2.3 Populasi dan Sampel .............................................................................................. 55
  3.2.4 Teknik Analisis Data ............................................................................................... 56
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Pelaksanaan \textit{Store Atmosphere} pada Bober Café Cabang Riau Bandung.... 63

4.2 Gambaran Umum Responden ................................................................. 68
   4.2.1 Gambaran Umum Responden Berdasarkan Jenis Kelamin................. 68
   4.2.2 Gambaran Umum Responden Berdasarkan Kelompok Usia................. 69
   4.2.3 Gambaran Umum Responden Berdasarkan Pendidikan Terakhir......... 70
   4.2.4 Gambaran Umum Responden Berdasarkan Status Pekerjaan............. 71
   4.2.5 Gambaran Umum Responden Berdasarkan Frekuensi Kunjungan..... 72
   4.2.6 Gambaran Umum Responden Berdasarkan Penghasilan Perbulan..... 73

4.3 Validitas dan Reliabilitas ................................................................. 73
   4.3.1 Validitas ......................................................................................... 73
   4.3.2 Reliabilitas .................................................................................. 75

4.4 Analisis Jawaban Responden Per Variabel .............................................. 77
   4.4.1 Analisis Indeks Jawaban Responden Variabel \textit{Store Atmosphere} .... 79
   4.4.2 Analisis Indeks Jawaban Responden Variabel Keputusan Pembelian 88

4.5 Analisis Data ....................................................................................... 91
   4.5.1 Uji Korelasi Rank Spearman ......................................................... 91
   4.5.2 Pengujian Koefisien Determinasi ................................................. 92
   4.5.3 Pengujian Hipotesis .................................................................... 93
BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan ................................................................. 97
5.2 Saran ................................................................. 98
