BAB 1 PENDAHULUAN

1.1 Latar Belakang Penelitian ...................................................................................... 1
1.2 Rumusan Masalah ................................................................................................... 12
1.3 Tujuan Penelitian .................................................................................................. 12
1.4 Kegunaan Penelitian ............................................................................................ 13
1.5 Kerangka Pemikiran .............................................................................................. 14
1.6 Metode Penelitian ................................................................................................ 21
1.7 Lokasi dan Waktu Penelitian ............................................................................... 21
1.8 Penelitian Terdahulu ............................................................................................ 23

BAB II TINJAUAN PUSTAKA

2.1 Laporan Keuangan ................................................................................................. 26
2.1.1 Pengertian Laporan Keuangan ...................................................................... 27
2.1.2 Tujuan Laporan Keuangan ............................................................................ 28
2.1.3 Sifat dan Keterbatasan Laporan Keuangan .................................................... 28
BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian ................................................................. 55

3.1.1 Sejarah Singkat Perusahaan ........................................ 56

3.2 Metode Penelitian ................................................................. 59

3.2.1 Operasional Variabel ............................................................ 60

3.2.3 Jenis dan Sumber Data ....................................................... 62

3.2.4 Teknik Pengumpulan Data .................................................. 63

3.2.5 Populasi dan Sampel Penelitian ....................................... 64

3.2.6 Teknik Pengolahan Data ..................................................... 65
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Perkembangan dan Analisis Kondisi Rasio-rasio Keuangan Sektor Industri Telekomunikasi dengan Menggunakan Metode Altman Z-Score Modifikasi periode 2008-2011 .................................................. 68

4.1.1 Kondisi Working Capital to Total Assets pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 69

4.1.2 Kondisi Retained Earning to Total Assets pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 71

4.1.3 Kondisi EBIT to Total Assets pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 73

4.1.4 Kondisi Book Value of Equity to Book Value of Debt pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 75

4.1.5 Analisis Rasio-rasio Altman Z-score Modifikasi pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 77

4.2.3 Kondisi EBT to Current Liabilities pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 80

4.2.4 Kondisi Sales to Total Assets pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 82

4.2.5 Analisis Rasio-rasio Springate pada Sektor Industri Telekomunikasi periode 2008-2011 .................................................. 84

BAB V KESIMPULAN DAN SARAN

5.1 Simpulan .................................................. 87

5.2 Saran .................................................. 90
