BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ........................................................................................................... 1
1.2 Identifikasi Masalah .............................................................................................................. 6
1.3 Maksud dan Tujuan Penelitian ............................................................................................ 7
1.4 Batas Penelitian .................................................................................................................... 7
1.5 Kegunaan Hasil Penelitian ................................................................................................. 8
1.6 Kerangka Peikiran dan Hipotesis ..................................................................................... 9
1.7 Metode Penelitian .............................................................................................................. 17
1.8 Waktu dan Tempat Penelitian .......................................................................................... 19

BAB II TINJAUAN PUSTAKA

2.1 Tinjauan Umum Lembaga Keuangan Non Bank ............................................................. 20
  2.1.1 Pengertian Lembaga Keuangan Non Bank................................................................. 20
  2.1.2 Peranan Lembaga Keuangan Non Bank ..................................................................... 20
  2.1.3 Jenis-Jenis Lembaga Kenuangan Non Bank ................................................................. 21
2.2 Tinjauan Umum Asuransi .................................................................................................. 23
  2.2.1 Pengertian Asuransi .................................................................................................... 23
  2.2.2 Sejarah Perusahaan Asuransi .................................................................................... 25
  2.2.3 Jenis-Jenis Usaha Asuransi ......................................................................................... 27
  2.2.4 Pembinanaan dan Pengawasaan Perasuransian......................................................... 29
  2.2.5 Istilah-Istilah dalam Asuransi ................................................................................... 30

BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian .............................................................. 71
3.2 Metode Penelitian ............................................................ 78
  3.2.1 Populasi dan Sampel Penelitian ................................... 78
  3.2.2 Jenis dan Sumber Data ............................................... 81
  3.2.3 Teknik Pengumpulan Data ......................................... 81
  3.2.4 Operasional Variabel ............................................... 82
  3.2.5 Metode Analisis Statistik ........................................... 86
    3.2.5.1 Alat Uji Statistik ............................................. 86
    3.2.5.2 Uji Normalitas Data ........................................... 86
    3.2.5.3 Uji Hipotetis ................................................... 87

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Perkembangan Kinerja Perusahaan Asuransi Syariah Periode 2007-2011 .............................................................. 90
  4.1.1 Risk Based Capital Perusahaan Asuransi Syariah Periode 2007-2011 .............................................................. 90
  4.1.2 Rasio Likuiditas Perusahaan Asuransi Syariah Periode 2007-2011 .............................................................. 92
  4.1.3 Rasio Tingkat Kecukupan Dana Perusahaan Asuransi Syariah Periode 2007-2011 .............................................................. 95
  4.1.4 Rasio Beban Klaim Perusahaan Asuransi Syariah Periode 2007-2011 .............................................................. 97
  4.1.5 Rasio Retensi Sendiri Perusahaan Asuransi Syariah Periode 2007-2011 .............................................................. 99
4.2 Perkembangan Kinerja Perusahaan Asuransi Konvensional
   Periode 2007-2011 .................................................................................. 101
   4.2.1 Risk Based Capital Perusahaan Asuransi Konvensional
   Periode 2007-2011 .................................................................................. 101
   4.2.2 Rasio Likuiditas Perusahaan Asuransi Konvensional
   Periode 2007-2011 .................................................................................. 104
   4.2.3 Rasio Tingkat Kecukupan Dana Perusahaan Asuransi
   Konvensional Periode 2007-2011 ............................................................ 107
   4.2.4 Rasio Beban Klaim Perusahaan Asuransi Konvensional
   Periode 2007-2011 .................................................................................. 110
   4.2.5 Rasio Retensi Sendiri Perusahaan Asuransi Konvensional
   Periode 2007-2011 .................................................................................. 113

4.3 Perbandingan Kinerja Keuangan Perusahaan Asuransi Syariah
   dan Perusahaan Asuransi Konvensional .................................................................. 116
   4.3.1 Uji Normalitas Data ........................................................................ 116
   4.3.2 Metode Risk Based Capital ............................................................... 118
   4.3.3 Metode Early Warning System .......................................................... 120
   4.3.4 Pembahasan ....................................................................................... 124

BAB V KESIMPULAN DAN SARAN

   5.1 Kesimpulan ......................................................................................... 127
   5.2 Saran .................................................................................................. 130
