KATA PENGANTAR........................................................................................... ii
DAFTAR ISI .......................................................................................................... v
DAFTAR GAMBAR ............................................................................................... viii
DAFTAR LAMPIRAN ............................................................................................... ix
BAB I PENDAHULUAN ......................................................................................... 1
  1.1. Latar Belakang Penulisan ........................................................................... 1
  1.2. Identifikasi Masalah .................................................................................... 2
  1.3. Tujuan dan Kegunaan Penulisan .............................................................. 3
    1.3.1. Tujuan Penulisan ................................................................................. 3
    1.3.2. Kegunaan Penulisan ............................................................................ 3
  1.4. Teknik Pengumpulan Data ......................................................................... 4
  1.5. Lokasi dan Jangka Waktu PKL ................................................................. 5
    1.5.1. Lokasi dan Waktu Praktek Kerja Lapangan ....................................... 5
    1.5.2. Lama Laporan Praktek Kerja Lapangan ............................................. 5
BAB II LANDASAN TEORI ................................................................................. 6
  2.1. Pengertian Manajemen .............................................................................. 6
  2.2. Pengertian Manajemen Sumber Daya Manusia ........................................ 7
    2.2.1. Fungsi Manajemen Sumber Daya Manusia ....................................... 8
  2.3. Rekrutmen .................................................................................................. 13
    2.3.1. Pengertian Rekrutmen ....................................................................... 13
    2.3.2. Tahap Proses Rekrutmen ................................................................. 14
2.3.3. Tujuan Rekrutmen ................................................................. 16
2.3.4. Sikap Dalam Rekrutmen ....................................................... 17
2.3.5. Proses Rekrutmen ................................................................. 18
2.3.6. Penentuan Dasar Rekrutmen ............................................... 19
2.3.7. Sumber-Sumber Rekrutmen ............................................... 19
  2.3.7.1. Sumber Internal ............................................................. 20
  2.3.7.2. Sumber Eksternal .......................................................... 21
2.3.8. Teknik-Teknik Rekrutmen .................................................. 24
  2.3.8.1. Teknik Rekrutmen Sentralisasi ....................................... 25
  2.3.8.2. Teknik Rekrutmen Desentralisasi ................................... 25
2.3.9. Kriteria Dalam Perekutan Karyawan .................................... 29
2.3.10. Saluran-saluran Rekrutmen .............................................. 27
2.3.11. Hambatan Rekrutmen ....................................................... 29
2.4. Metode Rekrutmen ................................................................. 32
  2.4.1. Model Seleksi dan Penempatan .......................................... 34
  2.4.2. Evaluasi Rekrutmen ........................................................ 36

BAB III OBJEK DAN METODE PENELITIAN .............................. 31

3.1. Latar Belakang Perusahaan .................................................. 38
