ABSTRACT .........................................................................................................ii

KATA PENGANTAR .........................................................................................iii

UCAPAN TERIMAKASIH ................................................................................iv

DAFTAR ISI ........................................................................................................vii

DAFTAR TABEL ...............................................................................................xi

DAFTAR GAMBAR ...........................................................................................xii

DAFTAR LAMPIRAN .......................................................................................xiii

BAB I PENDAHULUAN

1.1 Latar Belakang Masalah .................................................................................1
1.2 Identifikasi Masalah .......................................................................................9
1.3 Maksud dan Tujuan Penelitian .......................................................................10
1.4 Manfaat Penelitian .........................................................................................11
1.5 Metode Penelitian ...........................................................................................12
1.6 Lokasi dan Waktu Penelitian .........................................................................13

BAB II TINJAUAN PUSTAKA

2.1 Laporan Keuangan ........................................................................................14
    2.1.1 Pengertian Laporan Keuangan .............................................................14
    2.1.2 Jenis-Jenis Laporan Keuangan .............................................................15
    2.1.3 Pihak-pihak yang Berkepentingan dengan Laporan Keuangan .........18
BAB III OBJEK DAN METODE PENELITAN

3.1 Objek Penelitian

3.1.1 Jakarta Islamic Index (JII)

3.1.2 Kriteria Pemilihan Perusahaan Jakarta Islamic Index (JII)

3.2 Metode Penelitian

3.2.1 Jenis dan Sumber Data

3.2.2 Teknik Pengumpulan Data

3.2.3 Operasional Variabel

3.2.4 Populasi dan Sample

3.2.5 Teknik Analisis Data

3.2.5.1 Statistik Deskriptif

3.2.5.2 Uji Hipotesis

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Pergerakan Sales Growth, Current Ratio, Debt Asset Ratio, Return On Asset, Total Asset Turnover, dan Financial distress pada Perusahaan yang Terdaftar di JII
4.1.1 Kondisi Sales Growth pada Perusahaan yang Terdaftar
di JII ...................................................................................................76

4.1.2 Kondisi Current Ratio pada Perusahaan yang Terdaftar
di JII ...................................................................................................79

4.1.3 Kondisi Return On Asset pada Perusahaan yang Terdaftar
di JII ..................................................................................................83

4.1.4 Kondisi Debt Asset Ratio pada Perusahaan yang Terdaftar
di JII ...................................................................................................86

4.1.5 Kondisi Total Asset Turnover pada Perusahaan yang Terdaftar
di JII ...................................................................................................90

4.1.6 Kondisi Financial Distress pada Perusahaan yang Terdaftar
di JII ..................................................................................................94

4.2 Rasio Sales growth, Current Ratio, Debt Asset Ratio, Return On Asset,
dan Total Asset Turnover Berpengaruh terhadap Financial Distress
Secara Simultan dan Secara Parsial pada Perusahaan yang Terdaftar
di JII ....................................................................................................99

4.2.1 Uji Analisis Deskriptif ..............................................................100

4.2.2 Rasio Sales growth, Current Ratio, Debt Asset Ratio, Return On
Asset, dan Total Asset Turnover Berpengaruh terhadap
Financial Distress Secara Simultan pada Perusahaan yang Terdaftar
di JII ....................................................................................................101

4.2.2.1 Analisis Uji Goodness of Fit .................................................102

4.2.2.2 Analisis Uji Koefisien Determinasi ......................................103

4.2.2.3 Menguji Daya Klasifikasi 2x2 .............................................104

4.2.2.4 Analisis Uji G .................................................................105

4.2.3 Rasio Sales growth, Current Ratio, Debt Asset Ratio, Return On
Asset, dan Total Asset Turnover Berpengaruh terhadap
Financial Distress Secara Parsial pada Perusahaan yang Terdaftar
di JII ....................................................................................................106
4.2.3.1 Pengaruh $S$-growth terhadap Financial Distress pada Perusahaan yang Terdaftar di JII .....................................................108

4.2.3.2 Pengaruh Current Ratio terhadap Financial Distress pada Perusahaan yang Terdaftar di JII .....................................................109

4.2.3.3 Pengaruh Return On Asset terhadap Financial Distress pada Perusahaan yang Terdaftar di JII .....................................................110

4.2.3.4 Pengaruh Return On Asset terhadap Financial Distress pada Perusahaan yang Terdaftar di JII .....................................................111

4.2.3.5 Pengaruh Total Asset Turnover terhadap Financial Distress pada Perusahaan yang Terdaftar di JII .....................................................112

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan ........................................................................................................114

5.2 Keterbatasan .......................................................................................................115

5.3 Saran ..................................................................................................................116
