KATA PENGANTAR .................................................................................................... ii
DAFTAR ISI ...................................................................................................................... v
DAFTAR TABEL ........................................................................................................... viii
DAFTAR GAMBAR ....................................................................................................... x
DAFTAR LAMPIRAN .................................................................................................... xi

BAB I PENDAHULUAN
1.1 Latar Belakang Penelitian ................................................................. 1
1.2 Identifikasi Masalah ................................................................................. 3
1.3 Maksud dan Tujuan .................................................................................. 3
1.4 Kegunaan Penelitian ................................................................................ 4
1.5 Kerangka Pemikiran .................................................................................. 4
1.6 Metodologi Penelitian ............................................................................... 7
1.7 Lokasi dan Waktu Penelitian ................................................................. 8

BAB II TINJAUAN PUSTAKA
2.1 Pendidikan ...................................................................................................... 9
2.1.1 Pengertian Pendidikan ........................................................................... 9
2.1.2 Sistem Pendidikan Tinggi di Indonesia .................................................. 9
2.1.3 Pelaksanaan Sistem Pendidikan ............................................................ 11
2.2 Pendidikan Akuntansi .................................................................................. 11
2.2.1 Akuntansi; Art, Science atau Technology (Engineering) ...................... 12
2.2.2 Pengembangan Akuntansi ................................................................. 13
2.3 Pengertian Motivasi ................................................................................... 14
2.3.1 Proses Motivasi .................................................................................... 16
2.3.2 Teori Motivasi ..................................................................................... 17
2.3.3 Komponen Motivasi ............................................................................ 20
2.3.4 Jenis-jenis Motivasi ............................................................................. 21
BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian .......................................................... 35
  3.1.1 Karakteristik Responden ............................................. 35

3.2 Metode Penelitian ......................................................... 36
  3.2.1 Teknik Pengumpulan Data ........................................... 36
  3.2.2 Operasional Variabel .................................................. 36
    3.2.2.1 Pengukuran Variabel .......................................... 39
    3.2.2.2 Populasi dan Teknik Pengambilan Sampel ..................... 39
  3.2.3 Instrumen Penelitian ................................................ 40
  3.2.4 Rancangan Pengujian Hipotesis ...................................... 42
  3.2.5 Teknik Analisis Data ............................................... 42

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian .......................................................... 47
  4.1.1 Karakteristik Responden ............................................. 47
4.1.2 Tanggapan Responden Terhadap Motivasi Belajar
Mahasiswa Akuntansi ............................................. 48
4.1.3 Prestasi Mahasiswa Akuntansi ............................. 63
4.1.4 Pengaruh Motivasi Belajar terhadap Prestasi
Mahasiswa Akuntansi ................................................ 64
   4.1.4.1 Uji Validitas dan Reabilitas .......................... 64
   4.1.4.2 Uji Asumsi .................................................. 64
   4.1.4.3 Analisis Regresi Sederhana ....................... 65
4.2 Pembahasan .................................................................. 66
   4.2.1 Motivasi Belajar Mahasiswa Akuntansi .............. 66
   4.2.2 Prestasi Mahasiswa Akuntansi .......................... 70
   4.2.3 Pengaruh Motivasi Belajar Terhadap Prestasi
      Mahasiswa Akuntansi ........................................... 71
      4.2.3.1 Uji Validitas dan Reabilitas ..................... 71
      4.2.3.2 Uji Asumsi ................................................ 73
      4.2.3.3 Analisis Regresi Sederhana ..................... 73

BAB V KESIMPULAN DAN SARAN
5.1 Kesimpulan .................................................................. 76
5.2 Saran ......................................................................... 77
