BAB I ............................................................................................................................. 1
PENDAHULUAN ........................................................................................................ 1
1.1 Latar Belakang Masalah .................................................................................. 1
1.2 Identifikasi Masalah ......................................................................................... 7
1.3 Tujuan penelitian ............................................................................................. 7
1.4 Kegunaan penelitian ........................................................................................ 8
1.5 Metode penelitian yang digunakan ............................................................... 9
1.5.1 Teknik Pengumpulan Data ..................................................................... 10
1.5.2 Populasi dan Sampel ............................................................................... 11
1.5.2.1 Populasi ............................................................................................... 11
1.5.2.2 Sampel ................................................................................................ 11
1.6 Lokasi dan Waktu Penelitian ...................................................................... 12

BAB II .......................................................................................................................... 13
TINJAUAN PUSTAKA ............................................................................................. 13
2.1 Kinerja Keuangan Perusahaan ................................................................. 13
2.1.1 Pengertian Kinerja .................................................................................. 13
2.1.2 Ukuran Kinerja ...................................................................................... 14
2.1.3 Pengertian Kinerja Keuangan Perusahaan...................................................... 15
2.1.4 Tujuan Pengukuran Kinerja Keuangan Perusahaan ...................................... 16
2.2 Laporan Keuangan.......................................................................................... 18
  2.2.1 Pengertian Laporan Keuangan .................................................................... 18
  2.2.2 Tujuan dan Manfaat Laporan Keuangan ...................................................... 19
  2.2.3 Pengguna Laporan Keuangan ...................................................................... 20
  2.2.4 Komponen Laporan Keuangan ................................................................... 22
2.3 Rasio Keuangan ............................................................................................. 23
  2.3.1 Pengertian rasio keuangan ........................................................................ 23
  2.3.2 Manfaat Rasio Keuangan ........................................................................... 24
  2.3.3 Jenis-jenis Rasio Keuangan ........................................................................ 26
2.4 Pengukuran Kinerja Keuangan ...................................................................... 27
  2.4.1 Rasio Keuntungan (Profitability Ratio) ...................................................... 27
  2.4.2 Rasio Likuiditas (Liquidity Ratio) ............................................................... 29
2.5 Kerangka Pemikiran ...................................................................................... 31
  2.5.1 Hubungan Profitabilitas dengan Kinerja Keuangan Perusahaan ............... 31
  2.5.2 Hubungan Likuiditas dengan Kinerja Keuangan Perusahaan .................... 32
  2.5.3 Hubungan Profitabilitas dan Likuiditas dengan Kinerja Keuangan Perusahaan ............................................................. 34
Bab III .................................................................................................................. 37
OBJEK DAN METODE PENELITIAN .................................................................. 37
  3.1 Objek Penelitian ........................................................................................... 37
  3.2 Metode penelitian ........................................................................................ 37
  3.2.1 Operasionalisasi Variabel ........................................................................ 38
  3.2.2 Jenis dan Sumber Data .............................................................................. 43
    3.2.2.1 Jenis Data .......................................................................................... 43
    3.2.2.2 Sumber Data ...................................................................................... 43
  3.2.3 Teknik Pengumpulan Data .......................................................................... 44
3.3 Populasi dan Pemilihan Sampel ............................................................................ 44
  3.3.1 Populasi ....................................................................................................... 44
  3.3.2 Sampel Penelitian ...................................................................................... 45

3.4 Rancangan Pengujian Hipotesis ..................................................................... 48
  3.4.1 Penetapan Hipotesis Null (Ho) dan Hipotesis Alternatif (Ha) ................... 48
  3.4.2 Pemilihan dan Pengujian Hasil Statistik ................................................... 49

3.5 Pengujian Persamaan Regresi Berdasarkan Asumsi Klasik ......................... 51

3.6 Analisis Regresi Linear Berganda .................................................................. 53

3.7 Penetapan Tingkat Signifikansi ....................................................................... 56

BAB IV ......................................................................................................................... 58
HASIL PENELITIAN DAN PEMBAHASAN ................................................................. 58

4.1 Perkembangan Profitabilitas dan Likuiditas pada Industri Transportasi Periode 2011-2013 ..................................................................................................................... 58
  4.1.1 Perkembangan profitabilitas (Return On Equity) Periode 2011-2013 .... 58
  4.1.2 Perkembangan Likuiditas (Current Ratio) Periode 2011-2013 .......... 62

4.2 Perkembangan Kinerja keuangan Pada Perusahaan Transportasi Periode 2011-2013 ......................................................................................................................... 65

4.3 Pengaruh Profitabilitas dan Likuiditas terhadap Kinerja keuangan pada Perusahaan Transportasi yang Terdaftar di Bursa Efek Indonesia Periode 2011-2013 ..................................................................................................................... 68
  4.3.1 Pengaruh Profitabilitas dan Likuiditas terhadap Kinerja keuangan pada Perusahaan Transportasi yang terdaftar di Bursa Efek Indonesia Periode 2011-2013 secara Simultan. .............................................................. 72
  4.3.2 Pengaruh Likuiditas terhadap Kinerja keuangan Perusahaan Transportasi yang terdaftar di BEI ................................................................. 78
  4.3.3 Pengaruh Likuiditas terhadap Kinerja keuangan Perusahaan Transportasi yang terdaftar di BEI ................................................................. 82

4.4 Pembahasan ..................................................................................................... 86
  4.4.1 Pengaruh Profitabilitas Terhadap Kinerja Keuangan .............................. 86
  4.4.2 Pengaruh Likuiditas Terhadap Kinerja Keuangan ................................. 87
BAB V .......................................................................................................................... 88
KESIMPULAN DAN SARAN ................................................................................... 88
  5.1 Kesimpulan .................................................................................................... 88
  5.2 Saran .............................................................................................................. 89
      5.2.1 Saran untuk Perusahaan.......................................................................... 90
