ABSTRAK .................................................................................................................. i
ABSTRACT .................................................................................................................. ii
KATA PENGANTAR ............................................................................................. iii
UCAPAN TERIMA KASIH ................................................................................ iv
DAFTAR ISI ........................................................................................................ vi
DAFTAR TABEL .................................................................................................... x
DAFTAR GAMBAR .......................................................................................... xii
DAFTAR LAMPIRAN ........................................................................................ xiii

BAB I PENDAHULUAN ...................................................................................... 1
1.1 Latar Belakang Penelitian ....................................................................... 1
1.2 Identifikasi Masalah ............................................................................. 5
1.3 Maksud dan Tujuan Penelitian .......................................................... 5
1.4 Kegunaan Penelitian ........................................................................... 6
   1.4.1 Kegunaan Bagi Perusahaan .................................................. 6
   1.4.2 Kegunaan Akademis ........................................................... 6
1.5 Metode Penelitian .............................................................................. 7
1.6 Lokasi dan Waktu Penelitian ............................................................ 8

BAB II TINJAUAN PUSTAKA ........................................................................... 9
2.1 Manajemen Sumber Daya Manusia .................................................... 9
   2.1.1 Fungsi-fungsi Manajemen Sumber Daya Manusia ............ 10
2.2 Kepemimpinan Transformasional ..................................................... 12
   2.2.1 Karakteristik Kepemimpinan Transformasional .......... 13
   2.2.2 Prinsip-Prinsip Kepemimpinan Transformasional ...... 14
2.3 Motivasi ................................................................................................. 15
   2.3.1 Tujuan Motivasi ................................................................. 15
   2.3.2 Jenis-jenis Motivasi ............................................................ 17
   2.3.3 Metode Motivasi ............................................................... 17
2.3.4 Proses Motivasi ................................................................. 18
2.3.5 Prinsip-prinsip dalam Motivasi Kerja ............................ 19
2.3.6 Teori-teori Motivasi ....................................................... 20
2.3.7 Model-model Motivasi .................................................... 22
2.3.8 Pengukuran Motivasi ...................................................... 23
2.3.9 Faktor-faktor yang Mempengaruhi Motivasi ................... 24
2.4 Kinerja Karyawan ............................................................... 24
2.4.1 Faktor-faktor yang Mempengaruhi Kinerja .................... 25
2.4.2 Indikator Kinerja Karyawan ............................................. 26
2.5 Pengaruh Gaya Kepemimpinan Transformasional Terhadap Kinerja . 27
2.6 Pengaruh Motivasi Terhadap Kinerja ................................. 28
2.7 Penelitian Terdahulu ......................................................... 28
2.8 Kerangka Penelitian ......................................................... 30
2.9 Hipotesis ........................................................................... 33

BAB III METODE PENELITIAN .................................................. 34
3.1 Gambaran Umum Perusahaan PT. Dua Titik Advertama .......... 34
3.2 Metode Penelitian .............................................................. 34
3.3 Sumber Data ................................................................. 35
3.4 Populasi dan Sampel ........................................................ 35
3.5 Teknik Pengumpulan Data .................................................. 37
3.6 Operasional Variabel ........................................................ 38
3.7 Metode Analisis ............................................................... 43
    3.7.1 Uji Valisitas dan Uji Reliabilitas ................................. 43
    3.7.2 Analisis Deskriptif ..................................................... 44
    3.7.3 Uji Asumsi Klasik ...................................................... 46
    3.7.4 Uji Regresi Berganda ............................................... 49
    3.7.5 Koefisien Determinasi (R²) ....................................... 50
    3.7.6 Uji Hipotesis ........................................................... 50
        3.7.6.1 Pengujian Secara Parsial .................................. 50
        3.7.6.2 Pengujian Secara Simultan ............................... 51
BAB IV HASIL DAN PEMBAHASAN.............................................................. 53
  4.1 Karakteristik Responden ................................................................. 53
  4.2 Uji Validitas dan Uji Reliabilitas ..................................................... 55
  4.3 Analisis Deskriptif ........................................................................... 59
    4.3.1 Tanggapan Responden Mengenai Variabel Gaya
      Kepemimpinan Transformasional .................................................... 60
    4.3.2 Tanggapan Responden Mengenai Variabel Motivasi ................. 63
    4.3.3 Tanggapan Responden Mengenai Kinerja ................................. 67
  4.4 Uji Asumsi Klasik Model Regresi .................................................. 69
    4.4.1 Uji Multikolinearitas ............................................................... 69
    4.4.2 Uji Heteroskedastisitas ............................................................ 70
    4.4.3 Uji Normalitas ......................................................................... 71
    4.4.4 Uji Autokorelasi ..................................................................... 72
  4.5 Pengaruh Gaya Kepemimpinan Transformasional Terhadap Kinerja... 74
  4.6 Pengaruh Motivasi Terhadap Proses Kinerja ................................. 76
  4.7 Pengaruh Gaya Kepemimpinan Transformasional dan Motivasi
      Terhadap Kinerja ........................................................................... 77
  4.8 Analisis Koeisien Determinasi ....................................................... 79

BAB V KESIMPULAN DAN SARAN ............................................................. 80
  5.1 Kesimpulan ..................................................................................... 80
  5.2 Saran .............................................................................................. 81
