</table>
2.5.6 Faktor-Faktor Pendukung Pengembangan Produk .................23
2.5.7 Strategi Pengembangan Produk ........................................23
2.6. Perilaku Konsumen ..................................................................24
2.6.1 Karakteristik yang Mempengaruhi Perilaku Konsumen .......25
2.6.2 Proses Keputusan Pembelian ..............................................28
2.6.3 Jenis-Jenis Perilaku Pembelian ............................................31
2.7. Minat Beli Konsumen .................................................................32
2.7.1 Tahap-Tahap Minat Beli Konsumen ....................................34
2.8. Pengaruh Pengembangan Produk Terhadap Minat Beli
Konsumen .....................................................................................37

BAB III OBJEK DAN METODE PENELITIAN
3.1. Objek Penelitian ........................................................................39
3.1.1 Sejarah Singkat Perusahaan ................................................39
3.1.2 Struktur Organisasi ..............................................................40
3.2. Metode Penelitian ....................................................................42
3.2.1 Sumber Data .........................................................................43
3.2.2 Populasi dan Sampel ............................................................43
3.2.3 Teknik Pengumpulan Data ....................................................44
3.2.4 Operasional Variabel .............................................................45
3.2.5 Teknik Pengolahan dan Analisis Data .................................46

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
4.1. Hasil Penelitian .......................................................................53
4.1.1 Profil Responden .................................................................53
4.2. Uji Validitas dan Reliabilitas .....................................................56
4.3. Tanggapan Responden Terhadap Pengembangan Produk
Pada Vocuz Evolute .................................................................59
4.4. Tanggapan Responden Mengenai Minat Beli Konsumen
Pada Vocuz Evolute .................................................................66
4.5. Pengaruh Pengembangan Produk Terhadap Minat Beli Konsumen Pada Vocuz Evolute .........................................................72

BAB V KESIMPULAN DAN SARAN
5.1. Kesimpulan ..............................................................................77
5.2. Saran .......................................................................................77
