2.1.2.3.1 Syarat Dalam Pelaksanaan *Self-Assessment System* ......................... 22

2.1.2.3.2 Konsekuensi *Self-Assessment System* ............................................. 23

2.1.2.3.3 Hambatan Pelaksanaan *Self-Assessment System* .............................. 24

2.1.2.3.4 Prinsip *Self-Assessment System* .................................................. 25

2.1.3 Optimalisasi Penerimaan Pajak.......................................................... 27

2.1.3.1 Pengertian Optimalisasi Penerimaan Pajak ....................................... 27

2.1.3.2 Faktor-Faktor Penerimaan Pajak ...................................................... 29

2.2 Kerangka Pemikiran.................................................................................. 30

2.3 Hipotesis Penelitian.................................................................................. 36

BAB III OBJEK DAN METODE PENELITIAN.................................................. 37

3.1 Objek Penelitian....................................................................................... 37

3.1.1 Populasi dan Sampel............................................................................ 38

3.1.1.1 Populasi ............................................................................................. 38

3.1.1.2 Sampel ................................................................................................ 38

3.2 Metode Peneltian..................................................................................... 39

3.2.1 Teknik Pengumpulan Data................................................................. 40

3.2.2 Operasionalisasi Variabel Penelitian.................................................... 40

3.3 Metode Analisis Data............................................................................. 44

3.3.1 Metode Analisis Regresi Sederhana.................................................... 44

3.3.2 Uji Normalitas....................................................................................... 45

3.3.3 Koefisien Determinasi.......................................................................... 45

3.3.4 Pengujian Hipotesis............................................................................. 46

3.3.4.1 Uji *t-test* ......................................................................................... 46

3.3.5 Penetapan Tingkat Signifikansi ........................................................... 47

3.3.6 Penarikan Kesimpulan ........................................................................ 47
BAB IV HASIL ANALISIS DAN PEMBAHASAN ................................. 48

4.1 Hasil Penelitian ................................................................. 48
    4.1.1 Deskripsi Umum Penelitian ................................. 48
    4.1.2 Gambaran Mengenai Variabel Penelitian ............... 48
        4.1.2.1 Gambaran Mengenai Self-Assessment System ... 48
        4.1.2.2 Gambaran Mengenai Optimalisasi Penerimaan
            Pajak .............................................................. 55

4.2 Analisis Data ....................................................................... 58
    4.2.1 Statistik Deskriptif ..................................................... 58
    4.2.2 Uji Normalitas .............................................................. 60
    4.2.3 Analisis Regresi Linear Sederhana .......................... 62
    4.2.4 Koefisien Determinasi .............................................. 63
    4.2.5 Pengujian Hipotesis (Uji T) ................................. 64

4.3 Pembahasan Hasil Penelitian ............................................. 66
    4.3.1 Self-Assessment System pada Kantor Pelayanan
        Pajak Pratama Bandung Tegalega ................................ 66
    4.3.2 Optimalisasi Penerimaan Pajak pada Kantor
        Pelayanan Pajak Pratama Bandung Tegalega ............. 68
    4.3.3 Pengaruh Penerapan Self-Assessment System Terhadap
        Optimalisasi Penerimaan Pajak .............................. 69

BAB V KESIMPULAN DAN SARAN ............................................. 72

5.1 Kesimpulan .............................................................. 72
5.2 Saran .............................................................. 75
