DAFTAR TABEL

Tabel 3.1 Data Sampel .................................................................................................................. 52
Tabel 3.2 Operasionalisasi Variabel Independen ....................................................................... 57
Tabel 3.3 Operasionalisasi Variabel Dependen ........................................................................... 58
Tabel 3.4 Instrument Skala Likert ............................................................................................. 62
Tabel 3.5 Nilai Koefisien Korelasi Rank Sperman ..................................................................... 66
Tabel 4.1 Usia Responden ........................................................................................................... 74
Tabel 4.2 Tingkat Pendidikan Responden .................................................................................. 74
Tabel 4.3 Hasil Uji Validitas Audit Internal ................................................................................ 75
Tabel 4.4 Hasil Uji Validitas Efektivitas Pengelolaan Gaji ........................................................ 76
Tabel 4.5 Rekap Hasil Uji Realibilitas Alat Ukur ....................................................................... 77
Tabel 4.6 Pedoman Kategorisasi ................................................................................................. 78
Tabel 4.7 Tanggapan Responden Mengenai Sub Indikator Independensi ................................. 79
Tabel 4.8 Tanggapan Responden Mengenai Sub Indikator Kompetensi ..................................... 80
Tabel 4.9 Tanggapan responden Mengenai Sub Indikator Program Audit ............................... 81
Tabel 4.10 Tanggapan responden Mengenai Sub Indikator Pelaksanaan kegiatan Program ................................................................................................................................. 82
Tabel 4.11 Tanggapan Responden Mengenai Sub Indikator Pelaporan ....................................... 84
Tabel 4.12 Tanggapan Responden Mengenai Sub Indikator Tindak Lanjut ................................. 85
Tabel 4.13 Tanggapan Responden Mengenai Sub Indikator Ketaatan ....................................... 86
Tabel 4.14 Tanggapan Responden Mengenai Sub Indikator Verifikasi ...................................... 87
Tabel 4.15 Tanggapan Responden Mengenai Sub Indikator Evaluasi ........................................ 88
Tabel 4.16 Rekapitulasi Tanggapan Responden Pelaksanaan Audit Internal ............................ 89
Tabel 4.17  Tanggapan Responden Mengenai Prosedur Kepegawaian dan Penempatan Karyawan ................................................................. 90

Tabel 4.18  Tanggapan Responden Mengenai Prosedur Penentuan Waktu dan Penyiapan Pembayaran gaji ................................................................. 92

Tabel 4.19  Tanggapan Responden Mengenai Prosedur Pembayaran Gaji .......... 93

Tabel 4.20  Tanggapan Responden Mengenai Prosedur Penyiapan Surat Pemberitahuan dan pembayaran Pajak ............................................................... 94

Tabel 4.21  Rekapitulasi Tanggapan Responden Mengenai Efektivitas Pengelolaan Gaji ........................................................................................................ 96

Tabel 4.22  Kolerasi antara peranan audit internal dengan efektivitas pengelolaan gaji ........................................................................................................ 97
