BAB IV HASIL PENELITIAN DAN PEMBAHASAN ........................................42
4.1 Hasil Penelitian ......................................................................................42
4.1.1 Likuiditas Pada Perusahaan Manufaktur Yang Terdaftar Di Bursa Efek Indonesia .................................................................42
4.1.2 Leverage Pada Perusahaan Manufaktur Yang Terdaftar Di Bursa Efek Indonesia ...........................................................................45
4.1.3 Agresivitas Pada Perusahaan Manufaktur Yang Terdaftar Di Bursa Efek Indonesia .................................................................47
4.1.4 Pengaruh Likuiditas dan Leverage Terhadap Agresivitas Pajak Pada Perusahaan Manufaktur Yang Terdaftar Di Bursa Efek Indonesia .................................................................................................49
4.1.4.1 Uji Asumsi Klasik .................................................................50
4.1.4.2 Model Regresi Berganda ...........................................................54
4.1.4.3 Koefisien Korelasi .................................................................55
4.1.4.4 Koefisien Determinasi ...........................................................56
4.1.4.5 Uji Parsial (t-test) .................................................................57
4.1.4.6 Uji Simultan (F-test) .............................................................59
4.2 Pembahasan ............................................................................................61
4.2.1 Pengaruh Likuiditas Terhadap Agresivitas Pajak Pada Perusahaan Manufaktur Yang Terdaftar di Bursa Efek Indonesia ..............61
4.2.2 Pengaruh Leverage Terhadap Agresivitas Pajak Pada Perusahaan Manufaktur Yang Terdaftar di Bursa Efek Indonesia ..............63
4.2.3 Pengaruh Likuiditas dan Leverage Terhadap Agresivitas Pajak Pada Perusahaan Manufaktur Yang Terdaftar di Bursa Efek Indonesia .................................................................................................65

BAB V KESIMPULAN DAN SARAN ..............................................................66
5.1 Kesimpulan ............................................................................................66
5.2 Saran .......................................................................................................68
