### BAB I PENDAHULUAN

1.1 Latar Belakang Masalah....................... I-1
1.2 Rumusan Masalah................................ I-2
1.3 Batasan Masalah.............................. I-2
1.4 Maksud Penelitian ........................... I-2
1.5 Tujuan Penelitian ................................ I-3
1.6 Metode Penelitian ............................ I-3
1.7 Sistematika Penulisan ........................ I-4

### BAB II LANDASAN TEORI

2.1 Kecerdasan Buatan (Artificial Intelligence) ............. II-1
2.2 Sistem Pakar..................................... II-1
2.3 Klasifikasi Sistem Pakar............................. II-2
2.4 Manfaat, Keterbatasan dan alasan Pengembangan Sistem Pakar.................................................. II-3
   2.4.1 Manfaat Sistem Pakar.......................... II-3
   2.4.2 Keterbatasan.................................. II-4
   2.4.3 Alasan Pengembangan Sistem Pakar.......... II-4
2.5 Struktur Sistem Pakar............................ II-5
2.6 Tahapan Pengembangan Sistem Pakar ......................... II-7
2.7 Metode Pembangunan Sistem Pakar ..................................... II-8
2.8 Basis Data Relasional ........................................................ II-9
  2.8.1 Abstraksi Data ......................................................... II-10
  2.8.2 Kunci ................................................................. II-10
2.9 Diagram Alir Data (Data Flow Diagram) ............................ II-10
2.10 Perangkat Lunak (Software) ........................................... II-12
2.11 Software Sistem ........................................................... II-12
2.12 Representasi Pengetahuan .............................................. II-16
  2.12.1 Case Based Reasoning ........................................... II-16
  2.12.2 Proses Case Based Reasoning ................................... II-17
  2.12.3 Algoritma Proses Sistem Case Based Reasoning ............. II-19

BAB III ANALISIS
3.1 Identifikasi Masalah ......................................................... III-1
3.2 Hasil Analisis ............................................................. III-1
3.3 Pembahasan sistem yang akan dibangun ......................... III-2
3.4 Membangun basis kasus ............................................... III-4
3.5 Analisis sistem pakar Perawatan Kulit Secara Alami Dengan
  Menggunakan Metode Case Based Reasoning .................... III-6
3.6 Pohon Penelusuran DFS (Depth First Search) ............... III-7
3.7 Cara pembuatan masker dan cara pemakainya ................ III-8
3.8 Pengukuran kemiripan kasus (similarity) ....................... III-11
3.9 Pengambilan atau pemilihan data .................................. III-13
3.10 Deskripsi Sistem dan Penjelasan DFD ........................... III-13
  3.10.1 Deskripsi Sistem .................................................. III-14
  3.10.2 Penjelasan DFD .................................................... III-15
3.11 Kamus Data .............................................................. III-19
3.12 PSPEC ................................................................... III-19
BAB IV PERANCANGAN
4.1 Perancangan Basis Pengetahuan........................................ IV-1
4.2 Perancangan algoritma proses Case based reasoning..... IV-2
4.3 Perancangan Antarmuka................................................ IV-2

BAB V IMPLEMENTASI SISTEM
5.1 Lingkungan Implementasi............................................. V-1
5.1.1 Lingkungan Perangkat Keras (Hardware)............. V-1
5.1.2 Lingkungan Perangkat Lunak (Software)............. V-1
5.2 Implementasi Basis Data.............................................. V-2
5.3 Struktur Menu.......................................................... V-4
5.4 Penjelasan Struktur Menu........................................... V-5
5.5 Implementasi Tampilan............................................... V-6

BAB VI KESIMPULAN DAN SARAN
6.1 Kesimpulan.............................................................. VI-1
6.2 Saran.......................................................................... VI-1
