ABSTRAK ........................................................................................................................................i
ABSTRACT ........................................................................................................................................ii
KATA PENGANTAR ......................................................................................................................... iii
DAFTAR ISI ...................................................................................................................................... vi
DAFTAR TABEL ................................................................................................................................x
DAFTAR GRAFIK ............................................................................................................................ xii
DAFTAR GAMBAR .......................................................................................................................... xiii
DAFTAR LAMPIRAN ......................................................................................................................... xiv

BAB I PENDAHULUAN
1.1 Latar Belakang Penelitian ........................................................................................................ 1
1.2 Identifikasi Masalah ............................................................................................................... 9
1.3 Maksud dan Tujuan Penelitian ......................................................................................... 9
1.4 Kegunaan Penelitian ........................................................................................................ 10
1.5 Metode Penelitian .......................................................................................................... 10
1.6 Waktu dan Tempat Penelitian ........................................................................................ 12

BAB II TINJAUAN PUSTAKA
2.1 Analisis Investasi ............................................................................................................. 13
   2.1.1 Pengertian Investasi ............................................................................................ 13
   2.1.2 Tujuan Investasi .............................................................................................. 14
2.2 Analisis Teknikal dan Fundamental ............................................................................. 15
2.3 Laporan Keuangan .......................................................................................................... 15
   2.3.1 Pengertian Laporan Keuangan ............................................................................ 15
   2.3.2 Jenis-jenis Laporan Keuangan ............................................................................ 16
2.4 Rasio Keuangan .............................................................................................................. 17
   2.4.1 Rasio Profitabilitas .......................................................................................... 18
      2.4.1.1 Return On Asset (ROA) ............................................................................... 19
      2.4.1.2 Earning Per Share (EPS) ............................................................................. 21
2.5 Ukuran Perusahaan ....................................................................................................... 22
BAB II UKURAN PERUSAHAAN

2.5.1 Pengertian Ukuran Perusahaan ................................................................. 22
2.5.2 Pengukuran Ukuran Perusahaan ............................................................... 23

2.6 Pasar Modal.............................................................................................................. 24
2.6.1 Pengertian Pasar Modal ................................................................................. 24
2.6.2 Fungsi Pasar Modal ....................................................................................... 25
2.6.3 Peranan Pasar Modal ..................................................................................... 26
2.6.4 Pelaku Pasar Modal ........................................................................................ 27
2.6.5 Instrumen Pasar Modal ................................................................................. 28

2.7 Saham....................................................................................................................... 29
2.7.1 Pengertian Saham .......................................................................................... 29
2.7.2 Jenis-Jenis Saham ......................................................................................... 30
2.7.3 Harga Saham .................................................................................................. 32
2.7.4 Nilai Saham ................................................................................................... 34

BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian .................................................................................................. 47
3.2 Bursa Efek Indonesia ........................................................................................... 47
3.2.1 Gambaran Umum Bursa Efek Indonesia ...................................................... 47
3.2.2 Tujuan Pendirian Bursa Efek Indonesia ......................................................... 51
3.2.3 Fungsi Bursa Efek Indonesia ......................................................................... 51

3.3 Gambaran Umum Perusahaan Sektor Otomotif dan Komponennya .............. 52
3.3.1 PT Astra International Tbk ........................................................................... 52
3.3.2 PT Astra Otoparts Tbk ................................................................................. 53
3.3.3 PT Indo Kordsa Tbk ...................................................................................... 54
3.3.4 PT Goodyear Indonesia Tbk .......................................................................... 55
3.3.5 PT Gajah Tunggal Tbk ................................................................................. 55
3.3.6 PT Indospring Tbk ....................................................................................... 57
3.3.7 PT Multistrada Arah Sarana Tbk .................................................................... 58
3.3.8 PT Nipress Tbk ............................................................................................ 58
3.3.9 PT Prima Alloy Steel Universal Tbk .............................................................. 59
3.3.10 PT Selamat Sempurna Tbk ........................................................................ 60
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Perkembangan ROA, EPS, Ukuran Perusahaan dan Harga Saham Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ............................................. 82
   4.1.1 Perkembangan ROA Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ................................................................. 82
   4.1.2 Perkembangan EPS Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ................................................................. 89
   4.1.3 Perkembangan Ukuran Perusahaan (Total Aset) Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ......................... 95
   4.1.4 Perkembangan Harga Saham Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ...................................................... 102

4.2 Uji Asumsi Klasik ............................................................................................................. 105
   4.2.1 Uji Normalitas ..................................................................................................... 105
   4.2.2 Uji Multikolinearitas ......................................................................................... 107
   4.2.3 Uji Heterokedastisitas ...................................................................................... 108
   4.2.4 Uji Autokorelasi .............................................................................................. 109

4.3 Analisis Statistik .............................................................................................................. 110
   4.3.1 Analisis Statistik Deskriptif ............................................................................. 110
   4.3.2 Analisis Korelasi Berganda ............................................................................ 111
   4.3.3 Koefisien Determinasi .................................................................................... 112
   4.3.4 Analisis Linear Berganda ................................................................................. 112
BAB IV PENGARUH ROA, EPS DAN UKURAN PERUSAHAAN TERAHTAP HARGA SAHAM SECARA PARTIAL PADA PERUSAHAAN OTOMOTIF DAN KOMPONENNYA YANG TERDAFTAR DI BEI PERIODE 2011-2014

4.3.5 Uji Hipotesis (Uji F) ......................................................................................... 114

4.4.1 Pengaruh ROA Terhadap Harga Saham Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ........................................... 116

4.4.2 Pengaruh EPS Terhadap Harga Saham Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ..................................................... 120

4.4.3 Pengaruh Ukuran Perusahaan Terhadap Harga Saham Pada Perusahaan Otomotif dan Komponennya yang Terdaftar di BEI Periode 2011-2014 ............... 125

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan .............................................................................................................. 130

5.2 Saran ...................................................................................................................... 135
