DAFTAR ISI ............................................................................................................... iv

DAFTAR TABEL ....................................................................................................... viii

DAFTAR GAMBAR ................................................................................................. ix

LAMPIRAN ............................................................................................................... xi

Bab I pendahuluan ...................................................................................................... 1

1.1 latar Belakang Penelitian ........................................................................ 1
1.2 Rumusan Masalah ....................................................................................... 8
1.3 Tinjauan Penelitian ................................................................................... 8
1.4 Manfaat Penelitian ..................................................................................... 9
1.5 Lokasi Dan Waktu Penelitian .............................................................. 9

Bab II Tinjauan Pustaka .......................................................................................... 10

2.1 pemasaran ....................................................................................................... 10

2.1.1 pemasaran jasa ..................................................................................... 11
2.1.2 Bauran Pemasaran ............................................................................ 12

2.2 Jasa .................................................................................................................. 14

2.2.1 Pengertian Jasa ................................................................................... 14
2.2.2 Karakteristik Jasa ............................................................................... 15
2.2.3 Klasifikasi Jasa .................................................................................. 16

2.3 Kualitas Jasa .................................................................................................. 18

2.3.1 Pengertian Kualitas Jasa ................................................................... 18
2.3.2 Mengukur Kualitas Jasa ..................................................................... 19
2.3.3 Faktor-faktor Penyebab Kualitas Jasa Yang Buruk ....................... 20

2.4 Pengertian Solusi Pelayanan ................................................................. 21
2.4.1 Solusi Pelayanan Kesehatan Masyarakat ........................................ 22
2.4.2 Solusi Pelayanan Rumah Sakit yang Lebih Baik............................ 22

Bab III Gambaran Umum Perusahaan ..................................................... 23
3.1 Sejarah Perusahaan ............................................................................. 23
  3.1.1 Maksud dan Tujuan .................................................................... 24
  3.1.2 Visi, Misi dan Motto Rumah Sakit Umum Daerah ..................... 24
  3.1.3 Jenis Kegiatan Usaha ................................................................. 25
3.2 Struktur Organisasi Perusahaan ......................................................... 29
  3.2.1 Job Description ......................................................................... 31
3.3 Metode Laporan Tugas Akhir ............................................................. 35
  3.3.1 Jenis Data Penelitian ................................................................. 36

Bab IV Hasil Dan Pembahasan ................................................................. 37
4.1 kualitas jasa pelayanan ..................................................................... 37
4.2 masalah dalam memberikan pelayanan rawat inap ............................. 49
4.3 Solusi Untuk Mengatasi Kendala ....................................................... 51

Bab V Kesimpulan Dan Saran ................................................................. 55
5.1 Kesimpulan ....................................................................................... 55
5.2 Saran ............................................................................................... 56
