ABSTRAK ..................................................................................................................... i
ABSTRACT .................................................................................................................. ii
KATA PENGANTAR .................................................................................................. iii
DAFTAR ISI ................................................................................................................. vi
DAFTAR TABEL ......................................................................................................... x
DAFTAR GAMBAR .................................................................................................... xii
DAFTAR LAMPIRAN ....................................................................................................... xiii

BAB I PENDAHULUAN
1.1 Latar Belakang ......................................................................................................... 1
1.2 Identifikasi Masalah ................................................................................................. 7
1.3 Tujuan Penelitian ...................................................................................................... 8
1.4 Kegunaan Penelitian ................................................................................................. 8
1.5 Metode Penelitian ..................................................................................................... 9
1.6 Lokasi Penelitian ..................................................................................................... 11

BAB II TINJAUAN PUSTAKA .................................................................................. 12
2.1 Manajemen Pemasaran .......................................................................................... 12
2.1.1 Pengertian Pemasaran ....................................................................................... 12
2.1.2 Pengertian Manajemen Pemasaran .................................................................... 13
2.1.3 Tujuan Pemasaran ............................................................................................. 14
2.1.4 Bauran Pemasaran ........................................................................................... 15
2.2 Brand (Merek) ....................................................................................................... 18
2.2.1 Pengertian Brand Image .................................................................................... 21
2.2.2 Manfaat Brand Image ....................................................................................... 22
2.2.3 Faktor-Faktor yang Membentuk Brand Image .................................................. 24
2.2.4 Komponen Brand Image (Citra Merek) .......................................................... 26

2.2.5 Pengukuran Brand Image .............................................................................. 26

2.3 Pengertian Jasa ................................................................................................... 27

2.3.1 Karakteristik Jasa ......................................................................................... 29

2.3.2 Klasifikasi Jasa ............................................................................................. 30

2.3.3 Pengertian Kualitas Jasa .............................................................................. 33

2.3.4 Mengukur Kualitas Pelayanan Jasa ............................................................. 34

2.3.5 Prinsip-prinsip Kualitas Jasa ....................................................................... 35

2.4 Loyalitas Konsumen ......................................................................................... 37

2.4.1 Pengertian Loyalitas Konsumen ................................................................ 38

3.4.2 Ciri-Ciri Konsumen Loyal ........................................................................... 38

3.4.3 Tahapan Loyalitas Konsumen ..................................................................... 40

2.4.4 Mengukur Loyalitas Konsumen .................................................................. 41

2.5 Penelitian Terdahulu ....................................................................................... 42

2.6 Kerangka Pemikiran dan Hipotesis ................................................................. 50

2.7 Pengaruh Brand Image Terhadap Loyalitas Konsumen ................................. 51

2.8 Pengaruh Kualitas Jasa Terhadap Loyalitas Konsumen ................................ 52

2.9 Pengaruh Brand Image Dan Kualitas Jasa Terhadap

Loyalitas Konsumen ............................................................................................... 53

BAB III OBJEK DAN METODE PENELITIAN ................................................ 55

3.1 Objek Penelitian ............................................................................................... 55

3.1.1 Sejarah Perusahaan ..................................................................................... 55
3.1.2 Filosofi PT Jalur Nugraha Ekakurir (JNE) ............................................................ 56
3.1.3 Visi dan Misi ....................................................................................................... 56
3.1.4 Jenis Pelayanan PT Jalur Nugraha Ekakurir (JNE) .............................................. 57
3.1.5 Struktur Organisasi ............................................................................................ 62
3.1.6 Tugas Pokok Jabatan-Jabatan pada PT Jalur Nugraha

   Ekakurir (JNE) Kantor Perwakilan Ahmad Yani Bandung .................................. 65

3.2 Metode Penelitian ................................................................................................. 67
3.2.1 Variabel Penelitian ........................................................................................... 67
3.2.2 Operasional Variabel ....................................................................................... 68
3.2.3 Sumber Data ..................................................................................................... 71
3.2.4 Teknik Pengumpulan Data ............................................................................. 72
3.2.5 Populasi Penelitian ....................................................................................... 74
3.2.6 Sampel Penelitian .......................................................................................... 75
3.2.7 Teknik Sampling ............................................................................................. 76
3.3 Teknik Pengolahan dan Analisis Data .................................................................. 77

BAB IV HASIL DAN PEMBAHASAN ........................................................................ 84
4.1 Karakteristik Responden ..................................................................................... 84
4.2 Uji Validitas ......................................................................................................... 87
4.3 Uji Reliabilitas ....................................................................................................... 91
4.4 Analisis Deskriptif ............................................................................................... 93

4.4.1 Analisis Tanggapan Responden Terhadap

   Variabel Brand Image ............................................................................................. 94

4.4.2 Analisis Tanggapan Responden Terhadap

   Variabel Kualitas Jasa ........................................................................................... 97
4.4.3 Analisis Tanggapan Responden Terhadap Variabel Loyalitas Konsumen.......................... 101

4.5 Analisis Korelasi Rank Spearman................................................................. 104

4.6 Koefisien Determinasi.................................................................................. 105

4.7 Penguian Hipotesis....................................................................................... 106

4.7.1 Penguian Hipotesis Secara Parsial ......................................................... 107

4.7.1 Penguian Hipotesis Secara Simultan...................................................... 108

BAB V SIMPULAN DAN SARAN................................................................. 111

5.1 Simpulan..................................................................................................... 111

5.2 Saran.......................................................................................................... 112
