2.3 Penelitian Sebelumnya................................................................. 21
2.4 Kerangka Pemikiran ................................................................. 23
2.5 Hipotesis Penelitian................................................................. 26

BAB III METODE PENELITIAN

3.1 Metode yang Digunakan.............................................................. 28
3.2 Operasionalisasi Variabel ......................................................... 29
3.3 Sumber dan Penentuan Data/Informasi ....................................... 30
  3.3.1 Sumber Data/Informasi........................................................ 30
  3.3.2 Cara Penentuan Data dan Informasi ................................. 30
    3.3.2.1 Penentuan Ukuran Sampel ....................................... 30
    3.3.2.2 Teknik Pengambilan Sampel ................................... 31
3.4 Teknik Pengumpulan Data .......................................................... 32
  3.4.1 Uji Validitas ...................................................................... 33
  3.4.2 Uji Reliabilitas ............................................................... 35
3.5 Rancangan Analisis ................................................................. 36
  3.5.1 Analisis Deskriptif ........................................................... 36
  3.5.2 Analisis Verifikatif .......................................................... 40
3.6 Koefisien Determinasi .............................................................. 41
3.7 Pengujian Hipotesis ................................................................. 41

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Profil Universitas Widyatama..................................................... 43
  4.1.1 Visi dan Misi ................................................................... 44
