KATA PENGANTAR ................................................................... iii

DAFTAR ISI ................................................................................ viii

DAFTAR GAMBAR ...................................................................... xii

DAFTAR TABEL ........................................................................... xiii

DAFTAR LAMPIRAN ................................................................... xiv

BAB I  PENDAHULUAN

1.1 Latar Belakang Masalah ........................................................... 1

1.2 Identifikasi Masalah ............................................................... 7

1.3 Tujuan Penelitian ................................................................. 7

1.4 Kegunaan Penelitian ............................................................. 8

1.5 Lokasi dan Waktu penelitian ................................................... 8

BAB II TINJAUAN PUSTAKA

2.1 Tinjauan Pustaka ....................................................................... 9

2.1.1 Partisipasi ............................................................................... 9

2.1.2 Anggaran ............................................................................. 10
BAB III OBJEK DAN METODE PENELITIAN

3.1 Subjek dan Objek Penelitian ........................................... 31

3.2 Metode Penelitian ............................................................ 31
  3.2.1 Metode yang digunakan ............................................ 31
  3.2.2 Metode Pengumpulan Data .......................................... 32

3.3 Unit Analisis, Populasi dan Sampel Penelitian ......................... 33
  3.3.1 Unit Analisis .............................................................. 33
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian ................................................................. 49
  4.1.1 Gambaran Umum Responden ........................................... 49
  4.1.2 Hasil Pengujian Alat Ukur ............................................... 51
    4.1.2.1 Uji Validitas ........................................................... 51
BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan ................................................................. 79

5.2 Saran ........................................................................ 79
