ABSTRAK ........................................................................................................... i
ABSTRACT ......................................................................................................... ii
KATA PENGANTAR ........................................................................................... iii
DAFTAR ISI ........................................................................................................ v
DAFTAR TABEL ................................................................................................ix
DAFTAR GAMBAR ........................................................................................... xii
DAFTAR LAMPIRAN ........................................................................................ xiii

BAB I PENDAHULUAN
1.1 Latar Belakang Penelitian ........................................................................ 1
1.2 Identifikasi Masalah ................................................................................... 5
1.3 Tujuan Penelitian ...................................................................................... 6
1.4 Manfaat Penelitian .................................................................................... 6
1.5 Waktu dan Lokasi Penelitian .................................................................... 7

BAB II TINJAUAN PUSTAKA
2.1 Manajemen ............................................................................................... 8
  2.1.1 Pengertian Manajemen ....................................................................... 8
2.2 Manajemen Sumber Daya Manusia .......................................................... 8
  2.2.1 Pengertian Manajemen Sumber Daya Manusia ................................... 8
  2.2.2 Fungsi-Fungsi Manajemen Sumber Daya Manusia ............................. 8
2.3 Disiplin Kerja ........................................................................................... 12
  2.3.1 Pengertian Disiplin Kerja ................................................................. 12
  2.3.2 Indikator-Indikator Disiplin Kerja ....................................................... 13
  2.3.3 Aspek-aspek Disiplin ......................................................................... 15
  2.3.4 Pengaruh Disiplin Kerja Terhadap Kinerja ........................................ 17
2.4 Motivasi .................................................................................................... 19
  2.4.1 Pengertian Motivasi ......................................................................... 19
2.4.2 Teori-teori Motivasi ...................................................................................... 20
  2.4.2.1 Teori Kebutuhan Abraham Maslow ............................................................ 20
2.4.3 Metode Motivasi ............................................................................................ 21
2.4.4 Tujuan Motivasi ............................................................................................ 22
2.4.5 Indikator-indikator Motivasi ......................................................................... 22
2.4.6 Pengaruh Motivasi Terhadap Kinerja .............................................................. 23

2.5 Kinerja ................................................................................................................. 24
  2.5.1 Pengertian Kinerja ....................................................................................... 24
  2.5.2 Indikator-indikator Kinerja ............................................................................ 24
  2.5.3 Tujuan Penilaian Kinerja .............................................................................. 26
  2.5.4 Faktor-faktor yang Mempengaruhi Kinerja .................................................. 27
  2.5.5 Peneliti Terdahulu ....................................................................................... 28

2.6 Kajian Peneliti Sebelumnya ................................................................................. 29

2.7 Kerangka Pemikiran .......................................................................................... 32

2.8 Pengembangan Hipotesis .................................................................................. 36
  2.8.1 Hubungan Disiplin Terhadap Kinerja Karyawan ............................................. 36
  2.8.2 Hubungan Motivasi Terhadap Kinerja Karyawan ........................................... 37
  2.8.3 Hubungan Disiplin dan Motivasi Terhadap Kinerja ........................................ 38

BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian ................................................................................................... 41
  3.1.1 Sejarah singkat perusahaan Distro Ouval Research ....................................... 41
  3.1.2 Visi dan Misi Distro Ouval Research ............................................................... 43
  3.1.3 Struktur Organisasi Distro Ouval Research ..................................................... 43
  3.1.4 Uraian Jabatan Distro Ouval Research ............................................................ 44

3.2 Metode Penelitian ............................................................................................... 46
  3.2.1 Teknik Pengumpulan Data ............................................................................. 46
  3.2.2 Jenis dan Sumber Data .................................................................................. 47
  3.2.3 Populasi dan Sampel ..................................................................................... 47
  3.2.4 Operasional Variabel .................................................................................... 48
  3.2.5 Uji Data ......................................................................................................... 51
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Gambaran Umum Responden .................................................................59
  4.1.1 Uji Validitas ......................................................................60
  4.1.2 Uji Reliabilitas .................................................................62

4.2 Analisis Tanggapan Responden ...............................................................63
  4.2.1 Analisis Tanggapan Mengenai Disiplin Kerja .................63
  4.2.2 Analisis Tanggapan Terhadap Motivasi .............................71
  4.2.3 Tanggapan Mengenai Kinerja Karyawan Distro Ouval Research Bandung .............................................................76
  4.2.4 Pengaruh Pengaruh Disiplin Kerja dan Motivasi Terhadap Kinerja Karyawan Distro Ouval Research Bandung .............................................................82
  4.2.5 Pengujian Asumsi Klasik .............................................................83
    4.2.5.1 Uji Normalitas .............................................................83
    4.2.5.2 Uji Multikolinearitas .....................................................84
    4.2.5.3 Uji Heterokedastisitas ................................................73

4.3 Pengaruh Disiplin Kerja terhadap Kinerja Karyawan Distro Ouval Research Bandung .............................................................86
  4.3.1 Analisis Korelasi .................................................................86
  4.3.2 Analisis Koefisien Determinasi ...........................................87
  4.3.3 Uji Hipotesis (t-test) ............................................................87

4.4 Pengaruh Motivasi Terhadap Kinerja Karyawan .........................89
  4.4.1 Analisis Korelasi .................................................................89
  4.4.2 Analisis Koefisien Determinasi ...........................................90
  4.4.3 Uji Hipotesis (t-test) ............................................................90
4.5 Pengaruh Pengaruh Disiplin Kerja dan Motivasi Terhadap Kinerja Karyawan Ouval Research Bandung Secara Simultan

4.5.1 Analisis Regresi Linier Berganda ......................................................... 91
4.5.2 Analisis Korelasi Berganda / Multiple Correlation.................. 93
4.5.3 Koefisien Determinasi................................................................. 93

4.6 Pengujian Simultan (Uji F) ................................................................. 94

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan ........................................................................................................ 97
5.2 Saran .................................................................................................................... 98
