ABSTRACT ....................................................................................... iv
ABSTRAK ........................................................................................ v
KATA PENGANTAR ........................................................................ vi
DAFTAR ISI .................................................................................... ix
DAFTAR TABEL ............................................................................... xiv
DAFTAR GAMBAR .......................................................................... xvi
DAFTAR LAMPIRAN ....................................................................... xvii

BAB I  PENDAHULUAN

1.1 Latar Belakang Penelitian ....................................................... 1
1.2 Identifikasi Masalah ............................................................... 6
1.3 Tujuan Penelitian ................................................................. 6
1.4 Manfaat Penelitian ............................................................... 7
1.5 Sistematika Skripsi ............................................................... 8
1.6 Lokasi dan Waktu Penelitian ................................................. 10

BAB II  TINJAUAN PUSTAKA

2.1 Landasan Teori ................................................................. 11
2.1.1 Pengertian Pemasaran .................................................... 11
2.2 Pengertian Bauran Pemasaran .......................................... 13
BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian ................................................................. 39

3.1.1 Gambaran Umum ............................................................ 39

3.1.2 Struktur Organisai .......................................................... 40
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian ................................................................. 56
4.1.1 Karakteristik Responden................................................................. 56
4.2 Analisis Tanggapan Responden.......................................................... 60
4.3 Pendapat eWOM.................................................................................. 62
  4.3.1 Sosial Media.................................................................................. 62
  4.3.2 Brand Comunities......................................................................... 66
  4.3.3 Consumer Message Boards.......................................................... 67
4.4 Pendapat Brand Awarness ................................................................. 70
  4.4.1 Brand Recall................................................................................ 70
  4.4.2 Brand Recognition................................................................... 72
  4.4.3 Brand Consumption................................................................. 73
  4.4.4 Brand Purchase......................................................................... 74
4.5 Pendapat Keputusan Pembelian......................................................... 77
  4.5.1 Pengenalan Masalah................................................................. 77
  4.5.2 Pencarian Informasi ................................................................. 79
  4.5.3 Evaluasi Alternatif................................................................. 80
  4.5.4 Keputusan Pembelian............................................................... 83
  4.5.4 Perilaku Pasca Pembelian ....................................................... 84
4.6 Uji Validitas Data................................................................................ 88
  4.6.1 Uji Validitas ............................................................................. 88
  4.6.2 Uji Reabilitas........................................................................... 90
  4.6.3 Analisis Linier Sederhana........................................................ 91
  4.6.4 Analisis Linier Berganda.......................................................... 93
4.7 Uji Hipotesis ................................................................................... 95
4.7.1 Uji t.............................................................................................. 95
4.7.1 Uji f ............................................................................................ 95

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan ........................................................................................ 98
5.2 Saran ................................................................................................... 99
