## BAB I  PENDAHULUAN

1.1 Latar Belakang Masalah ........................................................................................................ 1
1.2 Identifikasi Masalah ............................................................................................................. 11
1.3 Maksud dan Tujuan Penelitian ........................................................................................ 11
  1.3.1 Maksud Penelitian ........................................................................................................ 11
  1.3.2 Tujuan Penelitian ....................................................................................................... 11
1.4 Manfaat Penelitian ............................................................................................................. 12
1.5 Sistematika Penulisan ....................................................................................................... 13
BAB II TINJAUAN PUSTAKA

2.1 Landasan Teori ........................................................................................................ 14
  2.1.1 Pengertian Manajemen Sumber Daya Manusia ........................................ 14
  2.1.1.1 Fungsi Sumber Daya Manusia ................................................................. 15
  2.1.2 Pengertian Kepemimpinan ............................................................................ 17
    2.1.2.1 Teori – Teori Kepemimpinan ................................................................. 18
    2.1.2.2 Fungsi – Fungsi Kepemimpinan ............................................................. 20
    2.1.2.3 Pengertian Gaya Kepemimpinan ............................................................ 21
    2.1.2.4 Jenis – Jenis Gaya Kepemimpinan ......................................................... 22
    2.1.2.5 Indikator Gaya Kepemimpinan ............................................................... 23
  2.1.3 Pengertian Motivasi ......................................................................................... 25
    2.1.3.1 Teori – Teori Motivasi ............................................................................ 25
    2.1.3.2 Faktor – Faktor yang Mempengaruhi Motivasi ...................................... 29
    2.1.3.3 Indikator Motivasi .................................................................................. 30
  2.1.4 Pengertian Kinerja .......................................................................................... 32
    2.1.4.1 Faktor – Faktor yang Mempengaruhi Kinerja ........................................ 33
    2.1.4.2 Penilaian Kinerja .................................................................................... 33
    2.1.4.3 Indikator Kinerja Karyawan ................................................................. 34

2.2 Kajian Penelitian Sebelumnya ............................................................................ 36

2.3 Kerangka Pemikiran ............................................................................................ 40
  2.3.1 Pengaruh Gaya Kepemimpinan Terhadap Kinerja Karyawan .................. 41
  2.3.2 Pengaruh Motivasi Terhadap Kinerja Karyawan ........................................ 42
  2.3.3 Pengaruh Gaya Kepemimpinan dan Motivasi Terhadap Kinerja Karyawan ......................................................................................................................... 43

2.4 Hipotesis ............................................................................................................... 45
### BAB III METODE PENELITIAN

3.1 Objek Penelitian ................................................................. 47

3.1.1 Sejarah Singkat PT. GITS Indonesia ........................................ 47

3.1.2 Visi dan Misi PT. GITS Indonesia ........................................ 48

3.1.3 Struktur Organisasi ........................................................... 49

3.2 Unit Analisis ........................................................................... 54

3.3 Populasi dan Teknik Sampling ................................................ 55

3.3.1 Populasi Penelitian ............................................................. 55

3.3.2 Teknik Sampling ................................................................. 55

3.4 Jenis dan Sumber Data ......................................................... 55

3.4.1 Jenis Data ........................................................................ 55

3.4.2 Sumber Data .................................................................... 56

3.5 Teknik Pengumpulan Data .................................................... 57

3.6 Operasionalisasi Variabel ..................................................... 58

3.6.1 Pengukuran Variabel .......................................................... 61

3.7 Metode Analisis ..................................................................... 62

3.7.1 Method of Sucesive Interval ................................................ 62

3.7.2 Uji Validitas dan Uji Reliabilitas .......................................... 63

3.7.2.1 Uji Validitas ................................................................ 63

3.7.2.1 Uji Reliabilitas ............................................................ 64

3.7.3 Analisis Korelasi Pearson .................................................... 65

3.7.4 Pengujiian Asumsi Klasik .................................................. 66

3.7.4.1 Uji Normalitas .......................................................... 67

3.7.4.2 Uji Multikolinearitas ................................................... 67
3.7.4.3 Uji Heteroskedastisitas ................................................................. 68
3.7.5 Analisis Regresi Linear Berganda .................................................. 69
3.7.6 Pengujuan Hipotesis ........................................................................ 69
3.7.6.1 Pengujuan Hipotesis Secara Parsial (Uji t) ................................. 69
3.7.6.2 Pengujuan Hipotesis Secara Simultan (Uji F) ............................ 70
3.7.7 Analisis Koefisien Determinasi ($R^2$) ........................................... 71
3.7.8 Penetapan Tingkat Signifikansi ...................................................... 72

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian .................................................................................. 73
4.1.1 Gambaran Umum Responden ......................................................... 73
4.1.2 Gambaran Variabel Penelitian ........................................................ 75
4.1.2.1 Gambaran Variabel Gaya Kepemimpinan .................................. 75
4.1.2.2 Gambaran Variabel Motivasi ....................................................... 83
4.1.2.3 Gambaran Variabel Kinerja Karyawan ....................................... 86
4.1.3 Uji Validitas dan Uji Reliabilitas .................................................... 97
4.1.3.1 Hasil Pengujuan Validitas .......................................................... 97
4.1.3.2 Hasil Pengujuan Reliabilitas ....................................................... 99
4.1.4 Analisis Koefisien Korelasi Pearson ............................................. 100
4.1.5 Uji Asumsi Klasik .......................................................................... 101
4.1.5.1 Uji Normalitas ............................................................................ 101
4.1.5.2 Uji Multikolinearitas ................................................................. 101
4.1.5.2 Uji Heteroskedastisitas ............................................................. 102
4.1.6 Analisis Regresi Linear Berganda ................................................ 103
4.1.7 Pengujuan Hipotesis ...................................................................... 104
BAB V HASIL PENELITIAN DAN PEMBAHASAN

5.1 Simpulan ........................................................................................................... 115

5.2 Saran ............................................................................................................... 117
