LIST OF FIGURES

Figure: 2.1 Bus Topology ................................................................. 14
Figure: 2.2 Ring Topology ................................................................. 15
Figure: 2.3 Star Topology ................................................................. 16
Figure: 2.4 Tree Topology ................................................................. 18
Figure: 2.5 Mesh Topology ................................................................. 19
Figure: 2.6 Hybrid Topology ............................................................... 20
Figure: 2.7 Interface of Packet Tracer .................................................. 25
Figure: 2.8 Devices and Connections of Packet Tracer .......................... 26
Figure: 4.1 Topology of OSPFv3 .......................................................... 32
Figure: 4.2 Simulation of the OSPFv3 routing protocols ......................... 33
Figure: 4.3 Topology of the EIGRPv6 .................................................... 35
Figure: 4.4 Simulation of the EIGRPv6 routing protocols ......................... 35
Figure: 4.5 Packet loss comparison between OSPFv3 and EIGRPv6 ... 37
Figure: 4.6 End to end delay comparison between OSPFv3 and EIGRPv6 38
Figure: 4.7 Convergence time comparison between OSPFv3 and EIGRPv6 38
