## BAB I PENDAHULUAN

1.1 Latar Belakang ........................................................................................................ 1  
1.2 Identifikasi Masalah .............................................................................................. 9  
1.3 Tujuan Penelitian .................................................................................................. 9  
1.4 Manfaat Penelitian ............................................................................................. 10  
1.5 Sistematika Penulisan Skripsi ............................................................................. 11  

## BAB II TINJAUAN PUSTAKA

2.1 Manajemen ........................................................................................................... 13  
2.1.1 Pengertian Manajemen .................................................................................. 13  
2.1.2 Unsur-unsur Manajemen .............................................................................. 14  
2.1.3 Fungsi-fungsi Manajemen ............................................................................ 14  
2.2 Manajemen Sumber Daya Manusia ................................................................... 15  
2.2.1 Pengertian Manajemen Sumber Daya Manusia ........................................... 15  
2.2.2 Fungsi-fungsi Manajemen Sumber Daya Manusia ...................................... 16  
2.3 Kepemiminan ...................................................................................................... 18
2.3.1 Pengertian Kepemimpinan ................................................................. 18
2.3.2 Syarat-syarat Kepemimpinan .............................................................. 19
2.3.3 Gaya-gaya Kepemimpinan ................................................................. 20
2.3.4 Teori Kepemimpinan ........................................................................ 22
2.3.5 Dimensi dan Indikator Kepemimpinan ............................................. 25
2.4 Kepuasan Kerja .................................................................................... 27
2.4.1 Pengertian Kepuasan Kerja ............................................................... 27
2.4.2 Faktor-faktor yang Mempengaruhi Kepuasan Kerja ..................... 28
2.4.3 Pentingnya Kepuasan Kerja ............................................................... 29
2.4.4 Dimensi dan Indikator Kepuasan Kerja ............................................ 31
2.5 Kinerja .................................................................................................. 33
2.5.1 Pengertian Kinerja ........................................................................... 33
2.5.3 Penilaian Kinerja ............................................................................. 34
2.5.4 Faktor-faktor yang Mempengaruhi Kinerja ..................................... 34
2.5.5 Dimensi dan Indikator Kinerja ......................................................... 35
2.6 Pengaruh Kepemimpinan dan Kepuasan Kerja Terhadap Kinerja Karyawan Secara Parsial .......................................................... 37
2.6.1 Pengaruh Kepemimpinan dan Kepuasan Kerja Terhadap Kinerja Karyawan Secara Simultan ......................................................... 38
2.7 Penelitian Terdahulu .......................................................................... 39
2.8 Kerangka Pemikiran ......................................................................... 48
2.9 Hipotesis ............................................................................................ 49

BAB III METODE PENELITIAN

3.1 Objek Penelitian .................................................................................. 50
3.1.1 Profil Perusahaan ........................................................................... 50
3.1.2 Visi dan Misi Perusahaan ............................................................... 51
3.1.2.1 Visi .................................................................................................................51
3.1.2.2 Misi ...................................................................................................................51
3.1.3 Struktur Organisasi ............................................................................................52
3.2 Unit Analisis ...........................................................................................................52
3.3 Populasi dan Teknik Sampling.............................................................................53
3.3.1 Populasi .............................................................................................................53
3.3.2 Sampel ...............................................................................................................53
3.4 Jenis dan Sumber Data ............................................................................................53
3.4.1 Jenis Data ..........................................................................................................53
3.4.2 Sumber Data ......................................................................................................54
3.5 Teknik Pengumpulan Data ....................................................................................54
3.6 Operasionalisasi Data ............................................................................................56
3.6.1 Definisi Konseptual ............................................................................................56
3.6.2 Definisi Operasional ............................................................................................57
3.7 Metode Analisis .....................................................................................................64
3.7.1 Instrumen Penelitian ..........................................................................................68
3.7.1.1 Uji Validitas ...................................................................................................68
3.7.1.2 Uji Reliabilitas ...............................................................................................69
3.7.2 Skala Pengukuran ...............................................................................................69
3.7.3 Analisis Data Statistik .......................................................................................70
3.7.3.1 Uji Asumsi Klasik ..........................................................................................70
3.7.3.2 Transformasi Data Ordinal Menjadi Data Interval ........................................72
3.7.3.2 Analisis Korelasi Pearson ..............................................................................73
3.7.3.2 Analisis Linear Berganda ...............................................................................74
3.7.3.3 Uji Hipotesis ..................................................................................................75
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian ........................................................................................................................................79

4.1.1 Karakteristik Responden ..................................................................................................................79

4.1.2 Analisis Deskriptif ..............................................................................................................................81

4.1.2.1 Analisis Deskriptif Variabel Kepemimpinan (X1) ...............................................................81

4.1.2.2Analisis Deskriptif Variabel Kepuasan Kerja (X2) ......................................................................96

4.1.4.3 Analisis Deskriptif Variabel Kinerja Karyawan (Y) .................................................................109

4.1.3 Hasil Pengujian Keabsahan Data .......................................................................................................121

4.1.3.1 Hasil Uji Validitas ......................................................................................................................121

4.1.3.2 Hasil Uji Reliabilitas ..................................................................................................................123

4.1.4 Hasil Uji Asumi Klasik .......................................................................................................................125

4.1.4.1 Hasil Uji Normalitas ......................................................................................................................125

4.1.4.2 Hasil Uji Multikolinieritas .............................................................................................................125

4.1.4.3 Hasil Uji Heteroskedastitas ........................................................................................................126

4.1.5 Analisis Koefisien Korelasi ..............................................................................................................128

4.1.5.1 Analisis Koefisien Determinasi Kepemimpinan Terhadap Kinerja Karyawan .................130

4.1.5.2 Analisis Koefisien Determinasi Kepuasan Kerja Terhadap Kinerja Karyawan ...................130

4.1.6 Analisis Linear Berganda ..................................................................................................................131

4.1.7 Uji Hipotesis .....................................................................................................................................132

4.1.7.1 Hasil Uji Hipotesis Parsial (Uji T) ..............................................................................................132

4.1.7.2 Hasil Uji Hipotesis Simultan (Uji F) ..........................................................................................135

4.2 Pembahasan ............................................................................................................................................138

4.2.1 Pengaruh Kepemimpinan Terhadap Kinerja Karyawan ...............................................................138
4.2.2 Pengaruh Kepuasan Kerja Terhadap Kinerja Karyawan ........................................ 139
4.2.3 Pengaruh Kepemimpinan dan Kepuasan Kerja Terhadap Kinerja Karyawan .. 139

BAB V KESIMPULAN DAN SARAN
5.1 Kesimpulan ............................................................................................................. 141
5.2 Saran.................................................................................................................... 142
